ATTRIBUTES:

Specially formulated for new mothers, Body firming gel tones and firms the skin to help remodel body contours after childbirth thanks to its unique combination of active ingredients and ingredients of natural origin:

- Avocado peptides, a patented ingredient of natural origin helps relieve **sensations of tightness, reinforces skin elasticity and leaves the skin feeling supple and comfortable.**
- Centella asiatica improves and tones the skin for an **intense firming effect.**
- Sophora japonica helps to visibly **remodel body contours.**

Safety for mom and baby:

- Hypoallergenic(1)
- Assessed for safety for mom and baby during pre-natal and post-partum pregnancy
- Compatible with breastfeeding(2)
- Formulation Charter prohibits the use of parabens, phthalates, phenoxyethanol, bisphenols A and S, ca eine and alcohol

(1)Formulated to minimize the risk of allergic reactions.

(2)In compliance with proper hygiene rules for breastfeeding.

PROVEN EFFICACY:

89% **SATISFIED
MOTHERS**
TESTED UNDER
DERMATOLOGIC SUPERVISION

Skin is firmer and more toned for 89% of women*

78% of women saw a reduction in the appearance of unsightly fatty deposits*

*Clinical trial on 100 women conducted over a 1 month period.

TIPS OF USE:

Massage belly, hips and thighs every morning and evening for at least one month.

This firming gel has an oily texture facilitating the massaging, leaving skin feeling soft and fresh.

INGREDIENTS AND NATURALNESS:
